Sinclair's Broadcasting!

Corporations usually get their way because they enter official comments at the FCC and citizens don't. Well, I am a citizen and I think Sinclair should show Moore's "F-911" the night after "Stolen Honor" or something that gives equal time to both sides of a heated election. It's the only fair way to do this. Sinclair is using public airwaves free of charge to push an election in a tight race in one direction. Sinclair is not serving the public interest and is harming our democracy.
